

Boys Club at
Kensington
Secondary School

Boys Club background

To educate adolescents to the world around them.

To give them the information to make safe and mature decisions.

Concepts covered

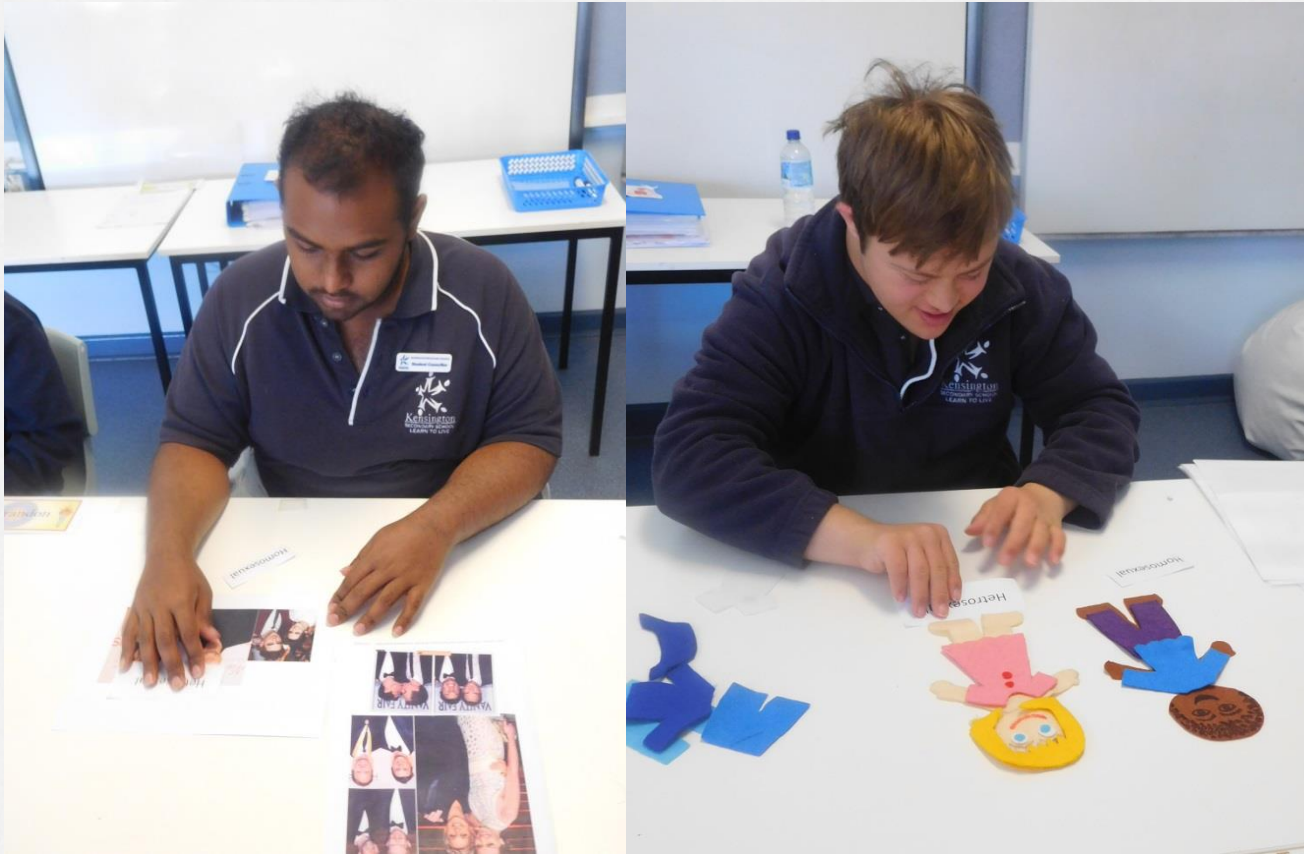

- Puberty
- Anatomy of both Male and Females
- Theory of sexual intercourse
- Safe sex practices

However even these can be delivered in a fresh way.

Taboo topics

- o Sexuality /Relationships
What does a family look like?
Are they all the same? Am I normal ?
- o Safe and Unsafe secrets
- o Masturbation (public and private)
- o Chargeable and Criminal sexual based offenses
(what would happen if I did this?)

What does our family look like?

CONSENT

Establishing relationships

If I like a person how do I tell them?

Am I allowed to feel this way? Is it normal?

What would I do if we want to spend time together?

Meaningful Relationships

What do couples look like?

How do they behave?

How do I know if I am
matched to this person?

Are all couples and
relationships the same?

Personal Grooming and Sexual health

Every day hygiene

Doctor check ups

*Grooming for
Special occasions*

STI info and check

ups

Delivering content/Creative

Resources

- visual and tactile
- A safe environment
- relevant media and movies
- thinking outside the square
- having fun
- PD workshops

Any questions??

Thank you for you time,

Julia Johns and Blake Polmear
